of October year, 2017 hereby moves this

The Plaintiff and four time Victim Kyle Lydell Canty hereby requests;

(2) The Courts of the United States Western District of Washington at Seattle have been fully aware of this fact for two months now.

(3) All defendants and future defendants have been also fully aware of the Plaintiff Kyle Lydell Canty's set release date, they have been aware for two

Months also, Just as the U.S. District Courts Western district of Washington at Seattle have been aware.

Statement of issues

For reasons that are very clear the U.S. District Courts Western District of Washington At Seattle is intentionally Sabotaging the Plaintiff's Civil Case. Should the U.S. District Courts Western District of Washington Continue to try to save money by not allowing this case to not proceed on to a Jury trial, even though there are material disputes "Questions of Law?"

For reasons that are very clear the defendants have asked the Courts for dismissals, and Summary Judgments before the Plaintiff's release date from Prison on November 1, 2017. Should the defendants be allowed to run from Justice and Cheat?

Evidence Relied Upon

The Plaintiff Kyle Lydell Canty relies upon official Washington State inmate lookup that he has no access to, statements from Douglas French "Custody Supervisor" here at WCC/Shelton Correctional facility.

The Plaintiff Kyle Lydell Canty also rely on the statements made by Samantha Kanner - the Attorney that King County hired, Samantha Kanner made comments in her declarations regarding the Plaintiff's release.

Legal Argument

If there are material disputes regarding Fake emails, discovery, Case file reports, missing Case file reports, added in Case file reports, and four different bulletins Should the Plaintiff be granted an extension of time in order to properly defend himself?

Conclusion

There is no reason that the Plaintiff Kyle Lydell Canty would want to harm Police, "maybe file legal actions not kill the idiots", We all know who's behind this don't we? "There are way to many documents floating around out there know this U.S. District Courts Western District of Washington At Seattle."

"We Can do this the hard way, or the easy way, however choosing the hard way option will expose everyone, do not blame the Plaintiff when the shhh hits the fan!"
